

## **What to Bring with You When you Pick up your Puppy**

1. Crate for your puppy to travel in with newspaper on the bottom and some shredded for bedding.
2. Extra Newspaper in case puppy messes in its crate.
3. Garbage bag to put any soiled paper in.
4. Bottle of water and a dish in case you are traveling a long ways. (We will send a small bag of puppy food with you to help switch your puppy over to its new food.
5. Paper towel to clean up any messes.
6. Leash and collar. Size small for an 8-week-old puppy. (We use cat collars for identification purposes during their evaluations, this is the approximate size you will need. Most collars are adjustable so if the one you bring will go as small as a cat collar and can be adjusted to a larger size, it should fit fine)
7. A few toys are a nice idea as well. Stuffed toys are not recommended as they will pull the stuffing out and eat it if your not able to watch them.
